

2026 OSST Symposium

Hotel Information

This map highlights several hotels conveniently located for attendees of the 2026 Ocular Surface Stem Cell Transplantation Symposium & Skills Transfer Workshop. Each hotel listing includes the approximate distance and walking time to both the **Northern Kentucky Convention Center (NKYCC)**, where Saturday's educational sessions will be held, and **LifeSciKY**, where Sunday's Skills Transfer Session & Wet Lab will take place.

The **Friday Welcome Reception** and **Saturday Evening Dinner** will be held at the **Cincinnati Marriott at RiverCenter**, which is connected to the NKYCC via an enclosed skywalk for convenient access.

Complimentary shuttle service will be available on **Saturday and Sunday** between the symposium venues and the hotels listed.

Please note: Hotel availability is expected to be limited due to a Cincinnati Bengals home game the same weekend. We strongly encourage you to make your hotel reservations as early as possible to ensure availability. Click on the name of the hotel to be taken to their website to book.

Cincinnati Marriott at RiverCenter

To NKYCC - 440ft 2 min walk
